June 2021

Dear Parents

We have not been able to source the same colour of jogging bottoms so we are introducing black slim leg bottoms with the school logo on them. Hopefully they will also be easier to keep clean.

At present I am putting together an order for school uniforms for September 2021. Could you please complete the attached order form for your child/children and forward it to the school before **Wednesday 23<sup>rd</sup> June**, together with a cheque in settlement.

Thank you for your co-operation.

Yours sincerely

Christopher Curran
